A motion was made to accept the minutes of April 5, 2018 by Mr. D. Wilt, seconded by Mr. Seaman. Carried.

Public Comment: No one present.

Reports of Standing/Special Committees:

Mr. Wells: Stated that he recently attended the Lake George Regional Planning Board (LGRP) and Adirondack Association of Towns & Villages (AATV) in Minerva. It works well that they schedule both on the same day. There is a lot going on with the main issue being the lack of Broadband and cell service. The Chairman stated that he has packets from AATV for the Board members to bring back to their towns along with additional legislature agendas.

Mr. R. Wilt: Stated that we are currently a month behind on construction for the towers. Hopefully in the next couple of weeks they will get on Oak Mountain and finish the site work here. Then come back to East Mountain in June.

The Chairman asked where we were in respect to a meeting with Blue Wing. Mr. R. Wilt stated that there has been 4 or 5 conference calls including one the day before. They are working on getting enough data together on all the towers they are envisioning for the County which includes

frequencies and building structures, so that there is a budget number they can present. Mr. R. Wilt stated that he will see if they can meet on the next Committee Day or sooner.

Mr. D. Wilt: Thanked everybody for giving the okay on the Director of Patient Services position. Things are going well in the department. He's confident that things will be straightened out soon.

**RESOLUTIONS:**

The Chairman asked for a member of the Board to move and read into the record Resolution No. 1, Proclamation – Older Americans Month.

After the following resolution was placed on the floor; the Chairman stated that this document is the code we went over at the last committee meeting. The Ethics Board did a magnificent job researching codes and the statutes. This code is much clearer and more concise. Mr. Wells and himself went back and met with the Ethics Board. They went through the changes that the County Attorney had suggested. The majority of those changes were semantics. There are a couple of things to go over on Committee Day before the scheduled public hearing.

BE IT ENACTED, by the Board of Supervisors of the County of Hamilton, as follows:

**Section I – Legislative Intent**

The Code of Ethics duly adopted by the Board of Supervisors in 1995 has been confusing and more difficult to interpret than Article 18 of the General Municipal Law, whereby

at times creating an undue hardship. The Intent of this new Code of Ethics is to provide the Board of Ethics the ability to better serve, when appropriate, the County and grant waivers from those restrictions which are in excess of Article 18 of the General Municipal Law.

**Section II** – A new Hamilton County Code of Ethics, which shall supersede any previous Code of Ethics and amendments and shall read as follows:

### **Code of Ethics**

WHEREAS, article 18 of the General Municipal Law prohibits the officers and employees of a County from having certain conflicts of interest, and

The Board of Supervisors of Hamilton County recognizes that, in furtherance of this fundamental principle, there is a need for clear and reasonable standards of ethical conduct. The purpose of this Code of Ethics is:

1. Public disclosure of conflicts of interest, and potential conflicts of interest, that may influence or be perceived to influence the actions of officers and employees of the County; and

2. The recusal of any officer or employee of the County, if the officer's or employee's acting, or failing to act, on the matter may result in a conflict of interest, or give the reasonable appearance of a conflict of interest; and

(f) This section does not prohibit any other gift,

including:

(1) gifts made to the County;

(2) gifts from a person with a family or personal relationship with the officer or employee when the circumstances make it clear that the personal relationship, rather than the recipient's status as a County officer or employee, is the primary motivating factor for the gift;

(3) gifts given on special occasions, such as marriage, illness, or retirement, which are modest, reasonable and customary;

(4) unsolicited advertising or promotional material of little intrinsic value, such as pens, pencils, note pads, and calendars;

(5) awards and plaques having a value of seventy-five dollars or less which are publicly presented in recognition of service as a County officer or employee, or other service to the community; or

(6) meals and refreshments provided when a County officer or employee is a speaker or participant at a job-related professional or educational conference or program and the meals and refreshments are made available to all participants.

## **Section 20. Waivers.**

(a) Upon written application by a current or former County officer or employee and written approval with justification for the waiver by the applicable department head, the Board of Ethics may grant the applicant, or his or her private employer or business, a waiver of any of the provisions of the Code of Ethics [except: the provisions pertaining to gifts, appearances by the County official's private employer or business, and transactional disclosure] where the Board of Ethics finds that waiving such provision would not be in conflict with the purposes and interest of the County, provided, however, that no such waiver shall permit any conduct or interest otherwise prohibited by Article 18 of the General Municipal Law.

(b) Waivers granted by the Board of Ethics shall be in writing, shall state the grounds upon which they are granted, and shall be available for public inspection and copying.

(c) All applications, decisions and other records and proceedings relating to such waivers shall be indexed and maintained on file by the Board of Ethics.

After the following resolution was placed on the floor; the Chairman stated that counties have been offered this great opportunity to participate in a state initiative, Raise the Age. NYS through legislative negotiation came up with a methodology of raising the age to move criminal prosecutions for 16 and 17 year olds out of the criminal court system and into the family court system in certain circumstances. The changes regarding detaining of these individuals is where it's become problematic. This is not the only resolution you will see regarding this. This is kind of ahead of the ball on this but in the past we have had problems filling these positions. The commitment at present is to fund 100% of the cost of actual staffing and capital costs associated.

After the following resolution was placed on the floor; the Chairman stated that we have an obligation to pay for Mental Health individuals placed based on a criminal situation differently than just an incarcerated prisoner. There was a lot of frustration within the system relating to this particular instance. The Mental Health and law enforcement side felt it unfortunate that the court system, District Attorney and/or Judge couldn't come up with a scenario to keep this person in a Mental Health detention but instead pulling them out, then placing him elsewhere at a cost to the taxpayers. The Community Services budget does not have any NYS reimbursement that covers these costs. The Sheriff's side as well and he has used up some of his resources so if he ends up with other out of county imprisonments then he might run out of money by the end of the year in his budget.

Other Reports:

Mr. Wells: Reminded the Board that the Memorial Day Parade will be in Indian Lake this year and there will be an opening ceremony for our WWI monument. He will be letting Ms. Abrams know the time for that. The Adirondack Challenge will be in Indian Lake again this year and he will be sending out the invites for that.

The Chairman stated that they are continuing to work on and expand the Fire Tower Challenge. One opportunity that intersects with what we are doing in the communication front is that the Fire Tower on Cathead Mountain which is on private land has been closed to public use. The idea of reopening it was elevated during the Great Southwoods Project and trying to further that as part of the effort around Cathead Mountain; getting all the communication equipment off of the Fire Tower and on to another so that it can be restored and reopened. On a parallel track Christy Wilt, Director of Economic Development, has been talking with the Village of Speculator in regards to putting a Fire Tower up.

The Chairman stated after Local Government Day being more proactive in what communities, similar to Keene, are up against with respect to stewardship and some of the costs of maintaining trail systems; he has been talking with the Adirondack Foundation about coming down and having a meeting to really work with us to setup a month that could be dedicated to trail stewardship, cost of maintaining and even Fire Towers.

The Chairman stated that with Raise the Age there will be a more complicated list for defense council. The Office of Court Administration has been doing training for magistrates and the County Judge. Because of the unique nature of these juveniles their expectation is that we would merge the public defense list with what used to be the attorney for the child list. Where both the lists overlap is where you get the attorneys available. The problem is that we only have one attorney that is currently on both of the lists. He asked that the Supervisors follow up with their justices to see how things are going so far.

As there was no further business, motion to adjourn by Mr. Seaman, seconded by Mr. D. Wilt.  
Carried.
