

VOLUNTEERS NEEDED TO HELP DURING MEDICAL EMERGENCIES OR MAJOR DISASTERS

Please consider signing up to be a volunteer to help the Hamilton County Public Health Nursing Service respond to medical emergencies or major disasters in our county. We need all volunteers, with or without health care training. Become a volunteer by signing up on ServNY <https://apps.health.ny.gov/vms/appmanager/vms/public>

ServNY is a registry of local volunteers and health care professionals who wish to volunteer during an emergency or major disaster. Registering simply tells ServNY that you are open to the idea of volunteering in case of an emergency. It does not guarantee that you will be called upon, nor does it mean that you must participate if called. Your role as a volunteer will help ensure that people affected by a disaster will receive the public health and medical care they need. If you are called upon to respond, we will provide you the necessary training.

Thank you for volunteering!
